HEADTEACHER: Mrs E Jones

## **Chair of Governors Spring message to all pupils, parents, staff and friends of Ryhill Junior Infant and Nursery School.**

The sun is shining and the bagels are rolling! Following the launch of our Magic Breakfast on the 25<sup>th</sup> of February feedback from the children is exceptionally positive and is seamlessly part of their early morning classroom routine.

The most important measure of our effectiveness as a school is the amount of progress children in the school make in the short, medium and long term. It is clear that children's progress in any school is influenced considerably by the support they receive at home. Whether it is from reading or writing together, practicing maths skills, attending our many Inspire days or just from the modelling of positive attitudes and behaviours every day, the influence of people involved in the outside-school lives of Ryhill pupils is central to their success. We are fortunate at Ryhill to have such a positive group of parents and carers throughout the school and I want to thank all of you who put so much effort into supporting your children at home.

Finally, I'd like to pass my personal gratitude onto the many volunteers who work within the school. There are volunteers in the classrooms listening to children read, attending the many exciting school visits and trips and the newly re launched PTA whose work is so important in making sure parent views are heard and taken on board in the decision making of the school. Thank

you to all of you for the countless hours you put in to help enrich the experiences of the children.

I wish everyone associated with the school well for the upcoming year and look forward to meeting many of you at the various school events I attend.

Best Wishes

Mrs Pamela Tolley

*Leaders and governors know this school well. They are passionate about the care, welfare and education of every pupil who attends the school. Governors are passionate and highly ambitious for the quality of education on offer.*

*They have a good understanding of the school's strengths and areas that need to improve. Ofsted June 2018.*
