Ryhill Junior, Infant and Nursery School has a broad and balanced curriculum which places learners at the heart and is driven by the school's vision statement:

"Together we can achieve"

Our intent is to provide our learners with a curriculum that is coherent, well-structured and progressive, based around high quality teaching that allows our children to acquire good subject knowledge and understanding of key concepts, application of skills and development of ambitious vocabulary.

Our curriculum is ACE! It is driven by the following:

Achieve

This helps our pupils to build aspirations and know available possibilities for their future lives.

Community

We have an important place within our community and believe it is important that our pupils see themselves within a local context.

Enterprise

We feel that developing children's enterprise skills will help them make a positive contribution to society.

- **"Our essential skills are taught and applied throughout our ACE curriculum"**
