SAFEGUARDING

Please carefully read our Safeguarding Induction Sheet which will be handed to you as you sign in.

COVID-19

Please inform reception immediately if you have tested positive for Covid-19 within the last 5 days.

FIRE PRECAUTIONS

In the event of a fire alarm sounding continuously at any time, you must leave the building immediately using the nearest fire exit – clearly marked with a green and white sign. There are fire notices around the school to inform you of your nearest assembly point. Take time to ensure that you know where to go. You will be made aware of any planned fire drills during your visit. Please make someone aware should you require assistance in exiting the building.

DO NOT return to collect any belongings. DO NOT enter the building again unless you are informed by a senior member of staff that it is safe to do so.

FIRST AID

In the event of an accident, please advise a member of staff who will enlist the help of a trained first aider. If you have a medical condition which you would like us to be aware of, so that we can offer some help should it become necessary, please inform a member of staff on arrival. An accident form should always be completed by the first aider treating you. Near misses should also be reported to the school office.

WE ARE A NUT FREE SCHOOL

People who suffer from nut allergies can develop a severe, potentially life-threatening allergic reaction.

If someone has a nut allergy it is not just eating nuts that can cause a severe reaction, just being touched on the skin or smelling the breath of someone who has had nuts or a product containing nuts can trigger anaphylactic shock (which can cause breathing and swallowing difficulties).

Staff members in the school are trained to use the Epi-pens (an injection of adrenalin) which is required immediately if this happens.

Please do not bring nuts or products containing nuts of any form into school.

For example:

Peanut butter sandwiches, chocolate spreads, cereal bars, some granola bars, cakes that contain nuts, biscuits/cookies that contain nuts, peanut butter cakes, some Asian food - including satay sauces that contain nuts.

This list is not exhaustive, so please check the packaging of products carefully.

PERSONAL SECURITY

Please sign in via the electronic register at the main entrance and wear your visitor's badge whilst in school. Please keep all belongings with you at all times unless working in a classroom where you can keep them in a designated area. No medication (including non-prescription) should be kept in bags within the classroom.

This can be securely locked in the school office.

If you leave the building for a short time, please exit through reception, informing the staff as you go and signing out. Please do not prop open any doors which could leave access to unauthorised individuals.

SMOKING

In order to maintain a healthy and safe environment, smoking is not permitted within the school and grounds. This includes e-cigarettes.

AGENCY STAFF

Please familiarise yourself with any medical plans for pupils within the school. This information is available in the staff room and also in the school office.

EXTERNAL CONTRACTORS

ASBESTOS REGISTER

The school maintains an asbestos register, regular monitoring is undertaken to ensure that damage or deterioration does not occur. The asbestos register must be consulted prior to any intrusive works carried out.
